

SUMMER EMPLOYMENT OPPORTUNITY

The Village of Caronport is seeking to hire a summer employee from May 20 – August 30, 2019 to assist with maintenance in the Village of Caronport.

The summer employee will work with the Public Works Superintendent on a variety of daily tasks which may or may not include... water and waste water operation, seasonal maintenance, construction projects, roadside work, and arboriculture work. This position will work mainly outside, caring for the village's park areas, Spray Park, facilities, and water works, roads during the summer months. The summer employee will work along with an experienced full-time staff member, but may be required to work alone at times.

Applications will be accepted at the Village office until April 19, 2019.
